

Situational IRONY is when the opposite of what you expect to happen, is what actually happens.

Example: The store with the
“Always Open” sign is closed.

Directions: Illustrate the following examples of Situational Irony.

<p>You go to the doctors for a checkup and learn the doctor is out sick.</p>	<p>A baker who makes the most delicious cakes and cookies doesn't eat sugar.</p>
<p>A girl who runs away from her friends throwing water balloons because she doesn't want to get wet falls into the kiddie pool.</p>	<p>The tow truck gets a flat tire.</p>
<p>The dentist's son gets three cavities.</p>	<p>A man works for 50 years and saves for his retirement. The day he retires, he wins the lottery.</p>
