Read the sentences in each box and decide if they are 1st, 2nd, or 3rd person point of view. Then write the answer in the gold star.

Madeline did not like to read. Then she met Bonnie at the library and began reading to her. At the end of the story, Madeline earned her gold star.

When I got to the library, I was so happy to see my reading buddy Bonnie. I was so excited to read a book about puppies with her.

Bonnie is a service dog. She likes to listen to children read her stories. Bonnie is going to have puppies that will also listen to children read to them.

When you go to the library, ask the librarian where to find the books about puppies. The librarian can also help you find books about your favorite things.

Now, I really like reading! I feel more comfortable reading aloud to my class because I found a reading buddy at the library.
